Reference: CC Docket No. 96-45 and CC Docket No. 02-6

Ms. Dortch:

This letter is a Request for Review of an appeal decision made by the Universal Service Administrative Company in Regards to Scott County RV School District In Sikeston, Missouri (Billed Entity # 137051, 471 Application # 520319, Funding Request Number 1432247).

Upon preparation of the 471, duplicate FRN's were generated for the same services. One for a prediscount amount of \$150,000.00 and one for a prediscount amount of \$75,000.00

Upon preparation for this appeal it became apparent that on the original attachments sent to PIA review, the incorrect FRN was marked to be cancelled. (Exhibit A) The intention of the district was to cancel FRN 1436405, it instead cancelled the correct FRN 1432247. This clerical error was not noticed during correspondence with Mr. Capps regarding the High Cost Review. When we discovered that FRN 1436405 was in review we again asked him to cancel this FRN. We also asked for clarification as to where and how to continue PIA review on FRN 1432247 (the correct FRN). This is evident in the correspondence with Mr. Capps shown in Exhibit B.

No. of Copies rec'd 041

I would like to request that FRN 1432247 be opened back up to PIA review and be reconsidered for funding as this was a clerical error which we attempted to clarify during the High Cost Review.

Thank you for your consideration.

Sincerely,

Ashley Jordan
Erate Consultant
Scott County RV School District

I would like to request an appeal review of 471 Application # 520319 FRN# 1432247 for

Internet Access Services. I had contacted Mr. Capps and indicated that I had duplicated the funding Committment Request and requested that one be cancelled. He apparently misunderstood and cancelled both FRN's for Internet Access. I have attached the e-mails documenting my request and his responses below. Please advise on how to continue.

Mike, I apologize for the delay in getting back to you on this. I've got a newborn at home and I'm running behind as you can imagine. After reviewing the filings for Scott County R5 School District we have determined the following:

Application #520319 is a valid Request, Item 21 Attachments will follow Application #520335 is a valid Request, Item 21 Attachments will follow Application #521798 is a duplicate funding request made in error. Please cancel the FRN's attached to this application.

Please let me know what additional information you will need for Applications 520319 and 520335. I apologize for the confusion related to these duplicate filings.

Sincerely,
